Please describe in detail the reason for your Delegation and what action you will be asking the Assembly to take. *

the economic committee is brainstorming ideas to reap economic benefit from the heritage district. i have some ideas. 1st by bringing the wealth of the marsh collection outside and display the photos along with some history, throughout the downtown. much like the paintings from the AWE. 2nd hold a heritage days weekend during open air, at the same time fort malden holds their military days. i have an idea for 3 themes for heritage days. on murray st. a rum runners theme, on dalhousie st. a military/heritage day theme, and on richmond st. a 60's dance party. i have community support for this which i will detail at the meeting. one of the things i researched, was how to bring people to a heritage district, the answers were a festival. we have an award winning festival in open air. i could list all the places grant money could come from, but the town is already very good at finding those grants. so what i'm asking the assembly to do is to put this idea into action.
